fall registration

Sept. 7
Fall Schedule begins

SPRING SHOW PERFORMANCES

Our school year schedule of classes concludes on May 27th. Our spring show performances will be held June 8-10th at 6:00pm with rehearsals June 1st-3rd. The performances will be approximately one hour. Since we have far too many kids to have everyone perform at the same time, each class will be assigned one performance night. Most kids who come to class on weekdays will perform on their regular class night. There will be some exceptions in order to try to keep siblings together on the same evening. Additional information was handed out in classes the week of May 10th or was mailed.

SUMMER SCHEDULE

Summer classes will begin on June 21st. During the summer our classes will be held Monday-Thursday only. We will be offering a flexible schedule of afternoon classes between 3:00-6:00pm and as well as a series of 3 day camps Tuesday-Thursday 12:30-3:00pm. Our summer schedule brochure will be available in our office the week of May 10th and will be posted on line on our web page www.paathletics.com by May 20th. We will begin taking summer registration for our current class students on May 17th. Registration for new students will open on May 24th. Since the time schedule for summer is different all current students will need to sign up for a new class and time.

This is also the time that we adjust student placement especially in the pre-school classes. Children who will be 3-4 for the entire summer will stay in Pre-Gym I. Children who are 4 and will not be going to Kindergarten in the fall should register for Pre-Gym II and those entering Kindergarten in the fall will move into the Kinder-Gym classes. Our current Kinder-Gym girls and boys are now “big kids” entering first grade and are eligible to join a level 1 class and/or attend one or more of our 3 day camps. We do not give stickers in rec classes so please prepare these kids for the “no sticker” shock!

Some of our current classes will not be held during the summer. Parents of students these classes or others who are ready for a different placement will be contacted individually by the staff for an appropriate class or camp.

Team News

All the girls who went to sectionals advanced to the state meet. Haylee placed 4th in her age group in the Bronze Division and Danica placed 9th in her age group in the Silver Division. Maya advanced from sectionals to state in Level 6 and all the girls represented us well.

Congratulations girls!
10 girls competed in the Garden City Invitational in Victoria BC the weekend of May 14-16. Everyone showed off new routines. Special congratulations to Danica 1st place on vault and 7th on floor in Level P-1 and Maya 4th place on floor in Level P-2.

Please help us control our Overhead!

Klahhane Gymnastics is a non-profit corporation. We operate on a tight budget to keep gymnastics as affordable as we can. Here are some small ways you can help us keep our costs down. Remembering to send your child with a water bottle cuts down on the number of paper cups we use.

Remembering to send your child to class with her hair already in a pony tail or bringing your own elastic hair tie, cuts the number of girls asking us to give them one.

Encouraging and helping the upstairs siblings to put away toys, crayons and books and putting trash in the garbage before you leave, eliminates extra paid staff time clean up after your children.

Mailbox

Recently several notes obviously written by kids have been found in our mailbox. Please be sure your children understand that mailboxes are for US Mail only. Putting anything else in there is a Federal offence.
