

October, 2015

The 2015-16 Swim Season is underway for the Port Angeles Swim Club. Already our swimmers have had great team and individual successes. To ensure continued success and to maintain the quality of coaching and training equipment, the Port Angeles Swim Club is seeking the sponsorship of community businesses. Sponsors can be recognized on the event sheet, on our website, displayed on the sponsorship board at the pool, and/or individually recognized at the William Shore Pool.

The Port Angeles Swim Club has an average enrollment of over 90 active swimmers. The club not only competes in local meets here in Port Angeles, but all over Puget Sound and Eastern Washington. Competitions are held in Silverdale, Poulsbo, Bainbridge Island, Port Orchard, Seattle, Tacoma, Federal Way, Wenatchee. Our two-day local meet in January here at the William Shore Pool consistently brings in over 200 swimmers and their families from the Peninsula and the Puget Sound region.

The goal of the Port Angeles Swim Club is to create an atmosphere where swimmers can strive toward excellence both in and out of the pool. We want club members to foster sportsmanship through their attitudes, actions and beliefs. The coaching staff uses their experience to support the success of athletes and to facilitate the development of self-discipline and responsibility. We are committed to promoting healthy competition in a sport which can provide a lifetime of fulfillment.

Thank you for your consideration in supporting the Port Angeles Swim Club.

Sincerely,

Chris Murray, President
Sandi Macintosh, Secretary
Jill Shaw, Treasurer

Birte Bojarzin, Vice President
Cari Gavin, Meet Director
Jessica Johnson, Head Coach
